  - Proof your entries during your warm-up time and stop by to see Austin to sign-off
  - Ensure only Unified swimmers are entered in the unified events

  - Email, call or text if you have any questions/issues
- Splash fees should be brought during your warm-up period

- **This meet is designated as a USA Swimming Observed meet.** This means that times from the meet can be entered into SWIMS if the swimmer completes an observation request form and submits the administrative payment at <https://7xscoring.com/all-city/observation/> by August 5, 7 pm CT.

### Scratching from Finals:

- You must report scratches from finals to the Administrative Referee or an Administrative Official within 30 minutes after the end of the session in which the preliminary swim was conducted.
